“ Mrs. Spainhour, was a very special lady, but those who had the pleasure, already knew this. Many memories of traveling to WV to visit the family growing up. From having peg legs at Long John Silvers, to going to the State Parks around WV. Mr. Spainhour use to work with my Dad in Ohio, at Kroger's Bakery, and when they moved to WV, we would go yearly to visit. What a exciting time that was! Watching and waiting...knowing we were almost there when we would see the golden top of the Capital. Mrs. Spainhour was always smiling, so kind and always had a open door and never knew a stranger. Mr. & Mrs. Spainhour are now in heaven with my parents, Mike & Linda Kolesar, and I am sure they are together joking about old times and playing cards. My thoughts and prayers go to Lisa and Richard and Family. May God surround you all and hold in your heart all the wonderful memories and love she shared to each of us.

“ Prayers of strength for the family during this time. Alice was a great friend to my Aunt (Virginia Smith) who passed away last year. I got to spend time with Alice over the years. She and I worked on my Mother's art projects together ten years ago. She was a kind, generous soul. I loved our conversations. I am glad I took time to visit her earlier this year after my Aunt had passed. She was a great comfort to me. Rest in peace Alice.

“ Lisa, Richard Allen, and families - Oh how I will forever miss my Ali. From the 1st day she came to work where I also worked, I knew she was someone special, like an Angel on Earth. She had a way of bringing people together - people were drawn to her. She was ALWAYS such an intelligent, gracious, caring, strong, supportive, unbelievable friend. She was my rock, a source of strength, an incredible example of character and everything a Christian woman should be. I knew I could depend on her to comfort and advise, to make me laugh ... to feed me some of the most delicious, home-cooked foods! And to love me. She was among the BEST of God's works and she'll be sorely missed... my dear Ali.

“ So many pleasant memories return from over the years from Alice and Richards wedding reception at the union hall in Kanawha City to them sitting around and playing Setback with my family in the hollow.
BUT MOST OF ALL... bless Alice for her ability of putting up with all of my cousin Richard's hijinks over the years!
Alice was a gracious hostess and you always felt welcome when you visited her home.
Our condolences to Lisa, Richard Allen, and family in their loss.

All of our love,...
