“ Bob what a beautiful couple you and Kathy made!
We have known Bob more than 50 years. Roger worked with Bob at Union Carbide back in the 70's. Their friendship grew to them purchasing land next to each other and building their current homes. We've always known Bob to say what he means and mean what he says. Bob and Kathy have always been hard workers and if you knew Bob, you knew the work wasn't done until he said so!
Well "friend" your job is done, now go rest high on that mountain! May you Rest In Peace and you can rest assured Kathy will continue on!
Gone but never forgotten!
