“ My heart breaks for the Stover family and everyone whose lives were so greatly touched by Brandon. Brandon was a part of our extended family here at the Hill household going all the way back to when he & Brett met in 6th grade & he started coming over to play guitar while Brett played the drums. Those boys & their future band mates turned into young men before our very eyes. So much joy came from Brandon as he sang in the studio and rocked that guitar out. Brandon when your dad Scott told me today at your memorial service that I had meant the world to you, I got rather emotional. We had some fun too & you shared your hopes & dreams with me and I always loved talking with you not just because you were Brett's friend and band mate but you were a terrific young man who I love & will cherish always. I'll tell you all about it when I see you again, in Heaven. God Bless and may Brandon's spirit live in our hearts forever... Bob Hill
