“ I remember Mr. Pauley from when I was a teenager in the early 70s. He was a calm, soft-spoken man, who deeply loved and cared for his family. My condolences to all his family, those I knew and those I never met. May you always look back on his life and what you shared with him and carry it with you into the future. --- Gary L. Thompson

“ At eighty-six my grandpa said there's angels in the room
All the family gathered 'round knew the time was coming soon
With so much left to say I prayed Lord I ain't finished
Just give us five more minutes. -Scotty McCreery
