

Frederick Paul Carney

July 16, 1937 - April 11, 2021

“No act of kindness, no matter how small, is ever wasted. Aesop.” Our kind, loving husband, and father, Frederick Paul Carney, age 83, of Hurricane, West Virginia, passed away on April 11, 2021, after a long illness. He was surrounded by his loving family and friends. Fred entered the Gates of Heaven being greeted by many family and friends, especially his parents Oval L. and Elizabeth (Miller) Carney, and brother, Charles, who preceded him in death.

Fred lived his life always extending kindness to everyone he met. He was a Christian, an avid golfer, family man, husband, father, grandfather, and friend to everyone. He lived life to the fullest and always had a smile on his face. Fred would want everyone to celebrate his life and remember his kindness.

Before enjoying his retirement years, Fred was a respected leader serving as the President and Vice President of MTI and CDI Engineering group in Saint Albans, West Virginia from 1974 to 1998. During that time, the company became one of Putnam Counties largest employers. Fred always credited this growth and success to the high quality and performance of his work family. Fred’s professional career as a mechanical engineer began in 1960 at Goodrich Gulf Chemicals. He also worked at FMC Inorganic Chemicals and Aerodyne Corporation. Fred loved those he worked with and they always held a special place in his heart.

Fred was always involved in his community through various activities. He served as a board member on the Putnam County Chamber of Commerce and an active member of the Sleepy Hollow Golf Club, serving two terms as president.

Fred was born July 16, 1937, in Dunbar, West Virginia, where he was raised. He attended Dunbar High School, and graduated from Central High School in El Centro, California, in 1955. He attended Marshall University from 1955 to 1958, then transferred and graduated from West Virginia University in 1960, with a Bachelor of Science Degree in Mechanical Engineering. He was a Registered Professional Engineer in West Virginia, Kentucky and

South Carolina. He was also the inventor of two Frezflo Patents.

Fred is survived by his loving wife of 60 years Judith G. Carney whom he married shortly after their first blind date in 1960. He is also survived by their only child, Dr. J. Paige Carney Salgado, her husband Vito, and grandsons, and the loves of his life, Tony and Nick Salgado, and his buddy their dog "Rex" all of Hurricane, West Virginia.

He is also survived by sisters Carolyn "Sissy" Gibb and Elizabeth "DeeDee" Ide (Guil), and brother James "Jim" (Pat), sister-in-law Marilyn Carney, along with many aunts, uncles, cousins, nieces, nephews, extended family, and friends.

Memorial service will be at Teays Valley Church of God, Scott Depot, on April 17, 2021 at 11:30 a.m., with Reverend Melissa Pratt officiating. The family will receive friends starting at 10:30 a.m. A celebration of Fred's life will occur at Sleepy Hollow Golf Club at a date later to be determined. You may also visit his tribute page at ChapmanFuneralHomes.com to share memories and offer condolences to the family.

“ Judy and Paige, Use your faith to get through this difficult time. I believe this is one of those footprints in the sand times and God carries us. “ I send my deepest sympathy to Judy, Paige and all of Fred's family at this difficult time. He was a special friend to H.G. and me when we lived in Morgantown and were attending and working at WVU along with Fred. He sometimes drove us home to Dunbar when he was coming home as well when we needed a ride. We always enjoyed being with Fred and respected him greatly. We especially appreciated you, Judy, and Fred attending H.G.'s 40th surprise birthday celebration at our home in St. Albans.

Love and best wishes always,

“ Our hearts go out to Judy, Paige, Vito, and the boys. Fred & Judy were great friends with my Dad & Mom and I got to know Fred very well. He was a gem, a one of a kind. He gave me my first summer job with MTI which was in the old Holyman & Huffman location in St. Albans. I was a gofer thinking I might want to be a draftsman. I always thanked Fred for that summer opportunity and leading me away from a 8 to 5 job !! Fred was a smart man, a community leader, and volunteer leader at Sleepy Hollow GC. I walked onto to driving range at SHGC one day and Fred was hitting balls with his arms and chest wrapped in straps and large rubber bands....always tinkering. It was simply his way!

RIP brother.

“ My thoughts and prayers go out to the family, I worked for Fred at MTI back in the late seventies to early eighties and never had anything but good things to say about Fred. He was a great boss to work for as well as a great friend that always looked out for his people and gave credit when credit was due. RIP Fred I am sure you will be sorely missed.

“ Very sad to hear the news, Fred was a great friend and boss. He gave so many people the opportunity to become great in their field. My kids still talk about the cookouts that Fred & Judy would have entertaining all of my kids. Playing ball, fishing with the new gear Fred bought for them to use. He will be truly missed by all!

“ Judy, Page, Vito and loved ones,

We are saddened by your great loss. Fred fought one of the bravest fights we have ever seen. For years he has been an inspiration to us, and we have prayed daily for him. May GOD bless each of you with the strength to bear your grief through the love of Jesus Christ. Fred was a dear friend to both of us, and he is in a better place and no longer suffering.

GOD bless,
