“ My brother-in-law always called me Ms Godsey. I asked Paw why, he told me cause I acted like her.  
I have so many memories of him and loved him dearly because he was like a brother to me.  
When I went to visit and was a little depressed Paw would tell me jokes and he could really cheer me up and I would forget all my worries  
Paw was one of a kind.

“ Jackie was more of a brother than brother in law. I loved him dearly most of my life and I know I will see him again. My Ronnie loved him as a brother too, and we will miss him, till we meet again. Sister Hopie and family, don't grieve to long, celebrate because his race is won! Praise God!
