

John W. Chapman III

January 9, 1948 - May 14, 2020

John W. Chapman III, 72, of Hurricane passed away at home surrounded by his family on Thursday, May 14, 2020.

John was a talented athlete and graduate of Winfield High School and Huron College, Huron SD. He is a member of Teays Valley Presbyterian Church, Scott Depot. John began his career in 1969 as graduate of Cincinnati College of Mortuary Science. John is a member of Putnam Masonic Lodge #139 A.F. & A.M., Scottish Rite Bodies, Beni Kedem Shrine Temple, Royal Order of the Jesters, Court #111, the Rotary Club, Scott-Teays Lions Club and has served on numerous boards of directors throughout his career including the West Virginia Board of Funeral Service Examiners. He is a member of the National Funeral Directors Association, West Virginia Funeral Directors Association, and Preferred Funeral Directors International where he had served as past president, as well as many other professional and civic organizations. He was also humbled to receive the 2020 Mayo Lester Award acknowledging his lifetime dedication to the citizens of Putnam County.

John's compassion and dedication to the communities of Putnam County were instilled in him by his parents at an early age. As a son of a founding funeral home director, his career began with responsibilities such as routine maintenance, lawn and automotive care. Once older, he assisted his father with the early duties of a community ambulance service and other funeral home related commitments. John began helping his father at their original Chapman Funeral Home located on Main Street in Winfield and together they later established the Chapman Funeral Home in Teays Valley. For many years John and his wife, Debra Leslie Chapman owned and operated Bartlett-Chapman Funeral Home in St. Albans.

Following the death of his father in 1985, John and his wife Debra have continued these traditions by expanding their funeral home presence with new and modern facilities. The funeral homes have continuously been renovated, remodeled and expanded, and now includes the only "on-site" crematory in Putnam County. In 2015, Affordable Cremations of WV was launched to provide cremation services to all areas of West Virginia in the most

economical fashion.

As a second generation funeral home owner in Putnam County many people throughout this area and the state of West Virginia have come to know and respect him and his family for the selfless dedication given to them during their most challenging times. Forging lifelong relationships with the residents and families of Putnam County has been one of his most rewarding accomplishments. John has always abided by ethical and moral standards for the families and community he has served and has set a higher standard for the funeral industry in this area and beyond.

The Funeral Home was a large portion of John's life, but his family was an even larger portion. He could be found at many ball fields supporting his children and grandchildren, and was additionally always a stable presence in many of the community youth events. He was a beloved mentor and friend to all.

John was preceded in death by his father, John W. Chapman Jr.

He is survived by his mother Jennie Margaret Erskine Chapman of Winfield; his wife of 41 years, Debra Leslie Chapman; his children, Jennifer Chapman Garrigan and her husband, Jay of Charlotte, NC; John William IV and his wife, Sarah of Fort Mill, SC; Jake Chapman and his wife, Lani of Hurricane; Ty Chapman and his wife, Tara of Charlotte; Jered Chapman and Morgan Pack of Hurricane; Justin Chapman and his wife, Brooke of Belmont, NC. He was affectionately named "PawPaw" by his 12 grandchildren, Reagan, Vaida, Elle, Carter, JW, John V, Ty II, Clara, Ruth, Jacob, Erin, and Bo; great nieces and nephews, Jason Patrick Smith, Grace and Faith Yeager, Sophia Yeager, Vivienne Yeager, George Cross and Ivery Cross who John considered as grandchildren. Additionally, he is survived by his brother, Dr. Thom Chapman of Winfield and Mrs. Chapman's caregiver, Marie Schimer along with several beloved aunts, uncles, cousins, sisters and brothers-in-law, nieces and nephews. John was particularly close to his brother and sister-in-law Glen and Anita Leslie Yeager and their children, Glenn Yeager; Dr. Anita Yeager Smith and husband, Jason; Elizabeth Yeager Cross and her husband, Brett; Michelle Nichols, Thad Chapman, Andrew Chapman, Andrea Burch, J.F. Leslie and Josh Leslie, and all of their children. John always considered his employees part of his family as well, saying he was "only as good as my help."

Given these unsettling times we are currently facing, those wishing to pay respects to John and the Chapman family are welcome between the hours of 3pm and 8pm, Saturday, May 16, 2020 at their Teays Valley Funeral Home located at 3941 Teays Valley Road, Hurricane, where guests may enter the building while maintaining social distancing

guidelines. Those wishing to remain in their automobiles are welcome between the hours of 12 Noon and 4pm Sunday for a drive-thru viewing at the funeral home as well. Staff members will direct traffic. You may also visit his tribute page at ChapmanFuneralHomes.com to share memories and offer your condolences.

John will privately be laid to rest in Winfield Cemetery, Winfield with Masonic Rites conducted by Putnam Masonic Lodge #139 A.F. and A.M.

In lieu of flowers, contributions should be made in his honor to any of the following: The Joseph Michael Leslie Scholarship, in care of Greater Kanawha Valley Foundation, 900 Lee Street, East, Charleston, WV 25301, Hospice Care, 1606 Kanawha Blvd., W., Charleston, WV 25387 or to a local food pantry of your choice.

The Chapman Funeral Home family is saddened but honored to serve John and his family as he taught us.

“ I met John when I was a young Associate pastor at St. Andrew UMC, St. Albans, in the late 1970's after Bartlett Funeral Home was purchased. We travel to several committals together and became friends. It was good to move to Hurricane in 2009 and reinkle that friendship. I am grateful for funeral directors like John who cared for the people they served and also cared for the pastors who were caring for families. He helped to make me a better pastor. You have served many during difficult times and will be greatly missed.

Our family is so saddened of the loss of a very special man to so many of us. A lifetime of friendship and service to many generations of our family will never be forgotten. John as a Young abulance provider on more than one occasion personal carried my grandmother from her home to the ambulance and transported her to the hospital after experiencing several heart attacks. He was a horse in his younger days. Always made us feel at home with a big smile and firm handshake. John---A blessing to many that we will never forget. May his memories carry on. “ I realized early on in my life that I did not wish to live an ordinary one. I found my passion and meaning in life teaching and coaching young people. Compared to John Chapman, my endeavor was a poor attempt at making the world a better place. John was always the one who made everything OK with me in those times of need that we all unfortunately experience.

His passionate understanding and true desire to help in any way was always the calm in the emotional storm for everyone involved. That is a skill that he did not have to learn.

My wife Robin always talked about any time he came to her job at Leslie Lumber, he always took a moment to say hello and always ask how I was doing. Another example of how he truly cared about others around him.

As we are all saddened for our loss, let us all celebrate the fact that as he looks down from Heaven his amazing love and legacy will live on for years and years through his wonderful family and friends.

Rest In Peace John. We will see you again some day.

“ I am gonna miss him, I truly enjoyed talking with him, we talked about sports, community issues, politics, family and just life in general and he was someone I looked up to, like a big brother type. I loved that laugh, it was hearty & real, always willing to make you feel like you were the only one in the room at the time when you and he were engaged in conversation. I was just thinking about calling him to talk about a prepaid funeral plan for Glenna & I and now this. John, you were a Man, a Man among Men, I will miss you. “ John will be greatly missed. There are few people, who touched as many people's hearts and lives as John and Debbie, through the many years of service they gave to the Kanawha and Teays Valley areas. Many years ago, I was privileged to share in the dedication service of the new and present facility on Teays Valley Road. As a minister, I also worked with John and his staff on several occasions, as we ministered to people at their most vulnerable times. Both John and his staff were always very professional and compassionate. I always felt as if what he did was more of a calling than a business. May God comfort his family, friends and the entire Valley area over this great loss.

“ Every memories I have of you were when our dads were volunteers for the Hurricane Fire Dept. Oh, the crazy stories that were told by both and later on, you were always there even when you didn't have to be. Though my brothers family choose another funeral home, you came to be with my parents and even when dad buried our precious moma there you were. Life was never easy here, but with true friends like the Chapmans have been to mine, it makes it more bareable. God blessed you all with such kind, and caring hearts. Rejoice in heaven my friend and tell mom and dad "I'll be there soon"
