

Karen Jean Mundy

December 11, 1955 - July 21, 2018

Karen Jean (Santrock) Mundy was the second child born to the late James (Mick) and Billie Jean Santrock on December 11, 1955, growing up in Dunbar, WV. She married the love of her life, Doug Mundy, in 1982 and lived 36 wonderful years with him, their family, and their many, many friends. Karen passed away peacefully surrounded by family Saturday afternoon July 21, 2017 in South Charleston, WV after a courageous battle with leukemia.

Graduating from WV State College, she enjoyed a very successful career in mortgage banking. Beginning as a loan processor in the '80s, she spent 14 years in several roles at BB&T, and eventually rose to Vice President and Area Sales Manager at Fifth Third Bank, where she also worked 14 years. She believed in serving her community, taking great pride in helping people buy homes both professionally and through her charity work. All of this was possible through her passion, dedication, and tireless work ethic that inspired those around her every day.

Karen lived a full and happy life. She brought joy, enthusiasm, and love everywhere she went. She will be greatly missed by the people who were lucky enough to have her in their lives.

In addition to her husband Doug, Karen is survived by her son Michael; daughter Kaitlyn and her wife Ashley; brother David, his wife Susan, and their sons Joshua and Aaron.

At Karen's request, no services will be offered. In lieu of flowers, please visit donate.ils.org and make a donation in her name to the Leukemia & Lymphoma Society.

Comments

“ Doug, I am so very sorry about your (our) loss. I didn't know she was ill. If I had known I would have been there. This has really upset me. I found out by being on Facebook one day. I loved her like a little sister. I pray you and the children are healing quickly. May the Lord bless you and keep you in His tender care.

“ I use to run into her on Summers Street. We talked about our children. She loved her family so much as we talked and moved from worries to praise to joy every time. Such a lovely person. Such a loss for all. Please accept my condolences and prayers for continued strength as you grieve. It was a better world with her here. Philip and Debbie Phillips-Weikle and family.

“ Karen was my mentor, boss, cheerleader, coach and a good friend. She led me into a job working with Fifth Third on a leap of faith and all of it was because I trusted her. Anytime I needed her she was always at the other end of the phone or email, even while fighting her battle. Many times she would help me from her hospital bed. I never met anyone that knew her that didn't like and admire her. She was a bright light for so many. She inspired many people and was a true leader in every way. I was blessed to have her in my life and I will continue to be the Mortgage person she mentored me tonbe. I will forever think of her, remember her and carry her wisdom with me .

Blessings for her sweet family, Doug, Michael and Kaitlyn. Her team members heard about each one of you on a regular basis. Recently we heard of Kaitlyn's wedding and children and Michael's new move and home and of course it was always said with a smile, "and Doug is right here with me". May her love and legacy carry you through the pain and loss of such a wonderful and beautiful person. This world will never be the same without this sparkling jewel! Love her for always!

“ Doug, I don't know if you remember me or not, but we were members at TVPC together. I had Michael in Sunday School and Kaitlyn helped me in the nursery often. Karen came to the hospital several times when my son Mark, was in a car accident when he was 16.
Karen was such a sweet and caring lady. I'm so sorry about her illness and her passing.
My love and prayers are being sent to you and your family!

“ My working relationship and friendship with Karen goes all the way back to the One Valley Bank days. Karen was the ultimate professional. She was knowledgeable, practical, and always had her staff's back while protecting the bank's best interests. She intensely loved her family, travel, the Mountaineers, her dear friends...Karen loved life. What a tremendous loss for all involved. We will dearly miss her at Fifth Third and in the communities she touched. Blessings on Doug and the family during this incredibly difficult, and oh so painful, time.
