“ Aunt Kitty, not sure how you put up with us as kiddos, but you always laughed at our (the cousins) antics while offering a dry comment followed by a chuckle. You kept your boys in line - including Beattie- and we will all miss you dearly. Love, your niece, Tanya

“ The memories of our sister, Kitty, are many and joyful. Our Mom said she was the glue that kept the family together, and indeed she did along with our brother-in-law Beattie. As kids we had the greatest neighborhood and friends. Popcorn at night in a pot on the stove and sitting on the front porch sharing it with our neighborhood friends while we played cards. And I felt so special that Kitty and Beattie named their first born after me. She made Judy and me part of the family and treated my daughters and extended family with love and respect. We will always have thousands of good memories of our special sister. Miss and love you, big sis!!!! Steve W
