“ Jean, My deepest sympathy. I will always remember Mel with a smile. He would bounce into Eastbrook Elementary as I would ask, "How you doing Mel?" He'd always answer, "If I were any better, I would be perfect!" May your warm memories sustain you during this time of loss. Tresa (Learmonth) Scalise

“ My heart is broken by the passing of “Coach” Mel Vaughn. I have so many memories of him. He lived down the street from me and anytime he heard a basketball bouncing he would say there goes Robin. In Junior High I remember him being such a big and strong man. One day he told me to stand as stiff as a board and he grabbed me at both ankles and lifted me over his head! The strange things we remember. Coach was a sweet man and always treated me with kindness. I will miss him! RIP Coach!

“ Coach Vaughn was my football coach at Nitro Jr and High School from 1962 to 1965. He was the complete package. Coach not only taught us football, but about life and God. The one thing I'll always remember about coach Vaughn is. before every practice coach would say, “boys, if we have a good practice it will be short and sweet”. Coach Vaughn will forever be remembered for his love and many teachings. Ralph Lucas class of 1966 NHS.

“ Somewhere in Paradise there is a beautiful golf course on which the turkeys are gobbling by a mountain stream filled with six pound brown trout feeding on a fresh hatch. That's where you'll find my friend and mentor Melvin Eugene "Rube" Vaughn. Yeeee Hee Coach! Rest in Peace...
