“ Pat was so wonderful to me when I was a little girl in awe of her daughter, Kara, in her majorette uniform, and said if I wanted to be a majorette she would help me. And she and Kara did just that. I will forever be grateful for the kindness and encouragement they both gave an awkward little girl. It made such a difference in my life.

“ I got to know Pat when my son moved to carriage way about 7 years ago. We seemed to have an instant connection. We had both raised our families in St Albans. Since I live in NC I didn't get visit as much as I wanted. I am the lady who made the sugar coated pecans. I always loved visiting with her and will miss her. Prayers to the family.

“ I once worked with Pat for a couple years when I sold Real estate. The only way for me to explain who Pat was to me: One of God's blessings sent to us to be our friend. This really saddens me.

“ That beautiful smile says it all! Pat was a fiesty, funny, genuine soul! She was a part of our family for 17 years, bestfriends with my Dad, gave him laughs, companionship, and love when he needed it most; she knew what she meant to him too! Prayers for her family, love you Pat!

“ I am so sorry to hear about Pat's passing. I had so hoped to talk to her one more time. I have so many wonderful memories that included Pat and your family. I first met Pat when I was at Weimer and she came there and gave baton lessons. Of course, the memories at McKinley are multiple, but we always had a good time when Pat was there. I remember the house on Poplar and the great times we always had. The years have gone by too fast, but I will always have a place in my heart for Pat and her sweet family. Love you all !
