

Rebecca L. Farley

August 30, 1950 - February 5, 2020

The world will be a little less joyful without the positivity of her spirit and her heartfelt laugh.

Rebecca Farley lost her battle to cancer on February 5, 2020 and will be greatly missed by all who knew her.

Becki was born August 30, 1950 to Robert and Josephine Roush. In addition to her parents she was preceded in death by her father Robert Roush and her loving companion Jim Kiser.

She was a 1968 graduate of Scott High School in Madison, WV. She attended and received her master's degree from Marshall University in Special Education.

Becki spent most of her career teaching at Poca High School in West Virginia where she retired in 2015 after over 30 years in her profession. She loved teaching and enjoyed her students. She was dedicated to providing a rich and fun learning environment and certainly touched many lives throughout her career.

Most importantly, Becki was a dedicated single mother of three spirited boys: Rodney (Sheila) Farley of New Knoxville, Ohio, Chris (Beth) Farley of Hurricane, West Virginia and Nick (Brooke) Farley of Cumberland, Maryland. Her sons blessed her with one of her greatest joys of being a grandmother to Tristan, Delaney, Addison, Emsley, Cameron and Aiden. Her grandchildren adored her fun disposition and especially loved hearing stories of their dads' adventures as children. Additionally she is survived by her mother, Josephine Roush, sister Deborah Scalise and brother Rob Roush. She was also a loving aunt to Johnny (Kristi) Scalise and Talia Scalise.

Becki lived her life to its' fullest. After retiring, she and her companion, Jim, enjoyed traveling and attending WVU Football games with their families. They enjoyed boating at Summersville Lake and sipping on a glass of wine together at the end of the day.

A Celebration of Life honoring Becki will be 4:00pm Sunday, February 9, 2020 at Chapman Funeral Home, Hurricane WV.

Friends may visit the family from 2:00pm – 4:00pm Sunday, prior to the service.

“ Oh our sweet Ms. Farley! Your sweet smile and beautiful laugh lit the halls up throughout Poca high school! I dont think you will ever know the special impact you had on you're students, each and everyone of us over the years simply adored you! You taught by example, how to treat others with dignity, respect, and taught us each to show love and respect to one another, to show kindness and compassion to those in need, and to always reach for our dreams, never settle for less. During times we were awkward, self conscious, timid and slightly shy as we were growing up, trying so hard to fit in, you taught us that we all had beauty inside of us, that although some of us were slower in learning due to ADHD, dyslexia, etc..you went above and beyond to strive everyday, to find new and creative ways to challenge us, teach us, cracking us up all the while with your unbelievable humor,and you brought out the absolute best in each and every one of us. You taught us so much more than normal classroom curriculum. You gave us so much more than a simple education. You taught us how to love ourselves despite our struggles, and you taught us how to laugh through our issues, how not to take everything so seriously, how to have fun while still learning and growing, and you made everyone of us feel like we were your very favorite student in the whole school. What a tremendous teacher, mentor, and most of all, friend you were to all of us. We will never ever forget you!! Love you always. Jen
