“ Girls you were all your mom talked about! I am so sad and shocked for she was always a spit fire and seemed so healthy. God must have been ready for her and she is with him now

“ I am so....so very sorry for your loss. Your Mother was beautiful inside and out. I would have loved to have had just a little of her energy. She was a very intelligent, caring and Loving Lady. I'm so sorry I wasn't in contact with her the past few years. I only hope one day, I will see her smiling face again. I know when I do, her arms will welcome me. My prayers are for you and your family. Pamela Farley

“ What a beautiful tribute to your mother. I never met any of her daughters. I met Rosemary working on the SAHS 2000 All Class Reunion. We hit it off immediately! We worked hard together and in so many ways so very much alike. Rosemary was a wonderful, loving friend. I will miss her. Until the service today, I did not know she had broken her hip. She was a great and loyal friend. I am so sorry for your loss. And as your mom would say - Peace and Prayers. Kris Radford, Class of 66.

“ Kitty, Jayne and Janet Your dear mother meant so much to me. She was one of my mother's, Rosemary Young, good friends, having been one of her bridesmaids on the morning of her own wedding that afternoon. She and my mother worked together at St. Francis doing all the things mothers do to make things better for their children. She was my girl scout leader and through her dedicated service made my life so much fuller and meaningful. She was a true friend to the end, helping ease the loss of my mother at a time when I needed comfort. So I hope that I can offer a little comfort myself in telling you how very much I loved your mother and that I will miss her very much. The world is a little less with her absense. My thoughts are with you.

“ Jayne, Janet, and Kitty I am so sorry for the loss of your beautiful mother. She was a very special lady showering kindness on everyone she met. I remember her as being one of the ideals for how a person and mother should be, you were very lucky to have called her mother. Rest In Peace Rosemary.

“ Kitty, Janet, and Jayne, so sorry for your loss. Losing anyone is sad but it seems losing your Mom is the worse. When the tears come, just remember the joy she brought to so many, although it doesn't make the pain any less, it brings the thoughts of the good days.

Our Moms were great friends and loved working with the Girl Scouts, although I would say they had their best times at Camp Clyde Browder
