“ Uncle Steve was always in a good mood. He truly loved his family and was proud to be a West Virginian. My Son also loved him and desperately wanted to take him on a "fishkin" trip this summer. He was also very sweet to Ashley and she always commented about how nice he was. Every time I told him goodbye he told me he loved me. I love you too Uncle Steve.... we will miss you

“ Steve was 11 yrs old when i became his sister in law. He called me my nick name Melbie and continued to do so. My family all loved him and he loved us. He told Chuck before he left us, that he was a brother to him, and how much he loved him. I am heartbroken that Steve has left us much too soon. I knew that he loved me and i loved him, and comforted that he knew it. I will miss him

“ Steve's greeting to me was always "Whatcha doin?" He was always willing to pitch in and assist in any way he could no matter what was going on. I will miss your mischievous and infectious grin Brother.

“ Steve was a special cousin ! He always had a smile on his face, loved to talk about memories from when we were young. I loved listening to him talk because he had such a kind soul when he'd talk about his aunt, my mom, Doris Johnson Browning and all of her kids. I do know that Steve had a good heart and it showed when he'd talk to me ! He's in Jesus's arms now standing beside his dad, mom, brothers and sister praising Jesus!!! I can see my mom with out stretched arms waiting on Steve to pass into the Pearly Gates of course Heaven ! Tears come to my eyes with the love I know that is shown to him in Heaven!!!

He loved his family with all his heart and i will always remember the kind hearted and infectious smile and laugh he had. He would do for others even if it was him who was in need. Trevin is waiting to see you again uncle he will be holding up his fist till then and when he meets you in heaven he will be able to say clearly “wanna fight”.
