“ I am Donna Hall Dalnoky. My sister Beckie, just called me this morning and told me of Aileen's passing on into eternity. Your mom and I always sent cards to each other but what made me know that something was wrong was that she didn't call me on OUR birthday. We shared the same birthday and she always called and we would talk talk about the present, but mostly the past. She would call my mom Helen, and they would talk for two hours or more. One thing that we know for sure is that my mom and your mom are talking right now non-stop. We kept a friendship over the years and she had a very special place in my heart. I will never forget her, or the past that I had with your whole family. I would like to have an obituary whenever you get things settled down. I would like to keep it in my Bible with other special memories of dear people. May God be with you at this time and give you a peace and comfort, knowing that your precious mom is wrapped in His arms for eternity.
Prayerfully, Donna Hall Dalnoky
