“ There will never be another Allie. I chose her as my daughters Godmother because of who she was. Her love & devotion to my family will forever be cherished. The many years of laughs, made up songs & games will be missed, but will always remain in my heart. My families life was forever changed when we met Allie years ago. I can't imagine how much she, my mom and dad have been laughing since she entered heaven. We will cherish the memories until we meet again. Pink and green to you Allie.

“ *I grew up with Allie. We were both on the Lakewood swim team (go Marlins!). I will never forget those dimples and her infectious laugh. She never failed to hug me when we would run into each other around town. I hope her family finds some comfort in the fact that she was universally loved by all walks of life. I am going to miss her terribly. My husband and I will be out of town for her services, but my heart will be there amongst you. Love to all, always. - Sara Murray*

“ Allison worked as a temp for WV DHHR/BBHHF a few years ago. She was the receptionist but would do anything to be of assistance. She had a very loving heart and it was an honor to have known her. It has been a while since I spoke to her but she remained one of my "Facebook" contacts that I followed. It was very apparent that her husband loved her from head to toes. My thoughts and prayers are with you all. RIP Allie
