“ Where to start? I have known you my whole life! My fondest memory is when you taught me how to make tomato gravy! I also remember when me, mom, and her friend Dorothy came to see you, we had to park on the street cause it rained and Moms car wouldn't make it up the driveway! Dorothy was come down the paver stair at the front of your house, there was a puddle of mud at the street, and there comes Dorothy rolling down the hill, I remember you laughing so hard you said “ well shit I pissed myself” I will never forget that! We did ask if she was ok then continued to laugh! We always had great times when we would visit from FI. I love you sister and will miss you terribly! ❤️❤️🙏🙏💔💔
