“ Amber...I don't even know where to begin, we were great friends in high school and lost touch after that only to reconnect again about a year and a half ago! I enjoyed our chats/talks just wish we could have followed through with our plans for lunch/dinner to catch up! I know we didn't talk long or a lot but I always thought of you! My thoughts are with your family as they face the hard days ahead. You will be greatly missed by so many people! You were a great friend...RIP pretty girl!! <3

“ *Amber Dawn was one of the kindest, most caring people I've yet to meet in my entire life. I feel so fortunate to have known her and spent so much time with her and her beautiful family. We had recently reconnected and I will forever remember the things she said and the positive attitude she faced every day with. She's definitely a guardian angel to all her nieces, nephews, brother and sisters that she loved and valued so much in life. She will absolutely never be forgotten and will live on in the memories of all who were so lucky to have had a moment of her time. <3*
