“ *I am so sorry for this loss in your family. I think of many precious memories when we were blessed to have the Jividen's as part of the Community Chapel family. Elvin as choir director, Faye as piano player, and the times spent with Joy, Elaine, and Mark in the youth group. Each one of you hold a special place in my heart. I cannot think of anyone that could lead a choir like Elvin and Faye there is no one in the area that can play a piano as good as you. You have been a great influence in my life. Praying for your family, wishing comfort and peace. Praying you're comforted by memories and held close in God's love.*

*Love and prayers,

“ *With all my heart I would like to thank the family for allowing Elvin to be one of my best friends. He was an example of Christ in almost every way. His love to get God's Word out to the ends of the world has not been surpassed by any that I know. He seemed to never be too busy to take my call or come when I was in need. He will be greatly missed by Pat and I, and the Gideons in Kenya who he helped so much. May God bless the work of Elvin and Faye.*

“ *Elvin was such a blessing to us. Many memories of 57 years of knowing him. When we left for college in 1966 he and faye give us such support and prayers. We decided if something happened to both of us we wanted them to raise our children. What a blessing to our lives*
