“ Angee was such a bright light. She loved with everything she had and was an amazing friend, mother and wife. She never failed to make me smile. I owe more to her than I ever told her, and I hope she knew how much she was and is loved. I miss you my friend, and I will always miss you. Every memory I have of Angee is her sharing something or doing something for someone else. She had the biggest heart and I consider myself and my family so blessed to have had her in our lives. ❤️

“ So sorry to hear of Angee passing. She was a loving, caring person. I think of the times I watched Angee and Tara. They both would fuss and argue about everything. But they really would take up for each other too. I know it will be very hard, but just remember Angee is no longer suffering. She is now with Dave smiling down .Rest in peace Angee.

“ Angee was the sweetest, kindest, most thoughtful and caring person. She will be missed. I never saw her that she didn't have a smile on her face and plenty of kind words to go around. Beautiful on the inside and outside.

“ *You know I only met Angie once when she was a kid. We did share Facebook together. She loved to show her pics of her dinners. Once she had bbq ribs and I told her next time I came home I wanted her to fix some ribs. She said “ I sure will.” We never got to do that but she was willing. She will be missed by family and friends. So sorry for your loss Pat Marselle*
