“ When I met Ann she was a devoted soccer mom to Brandon and Dillon. We became good friends through our husbands and kept in touch from Florida throughout many years. I remember our first bike ride in Crystal River, and the many hilarious stories about “Illfull” her Yorkie, and so many more. Ann always had the most glamorous nails, the prettiest pink outfits and the best legs from her years of running. Ann could outshop and outshine the best of us. She was indeed a woman of patience, and when she spoke you listened to what she had to say. I am sad the memories have stopped, but we will indeed meet again. Thank you for your friendship Ann. You left us words and advice I will never forget.
With a heavy heart,
Milena
