“ Aunt Tat:

I am so glad that you are finally at peace, no pain, no suffering, no tears in heaven. I know you are having a wonderful reunion with mom and all of your siblings, your parents, your baby boy, and most of all the love of your life, Uncle Sattis.

I will always cherish the memories I have of you. Your house was always such a warm and welcoming place to me when I was growing up. I can't ever remember being there that I was not greeted with the smells of something wonderful baking from the kitchen. You were an amazing cook. I just told Timmy yesterday, I always remember Aunt Tat's pantry. She was always in there getting something good to cook us before we went back home.

I also remember the swing down at the end of the yard toward Donna's house, I used to love to swing in that swing when we would visit.

Needless to say, I have many, many fond memories of you...I am so sorry that I was not around more than I was...I will forever regret that time lost with you.

Go fly high now, rest in peace, and rejoice with your family...hug my mom for me, and let her know I love her and miss her so very much.

I love you,

Gina Michelle

“ Maw Maw, you were one of the first people to welcome me to the family and I will never forget our talks while you held my hand. Your body may be at rest, but your spirit is free. You will be missed but never forgotten.

“ I am so blessed to have had such wonderful Great Aunts and Uncles. Losing my Aunt and Uncle and grandfather before I even had the pleasure of meeting them, and losing my grandmother at such a young age, Aunt Tat and her siblings ALWAYS made me feel special and loved and helped to fill that void.
I love you Aunt Tat. I hope you are finally at rest and in no more pain. My mom, grandmother and you are three of the strongest women I have ever known and I am so very proud to have been blessed with such a great and loving family.
