“ *My heartfelt sympathy goes out to the family of a wonderful lady. I was honored to meet her and her husband through my work at a foster care agency many years ago. She was a very loving, caring, compassionate person who loved and cared for her foster children as her own. As work involved routine home visits at her home, the visits became more than a job. Our monthly visits soon became more than just a job.....she became a friend. God Bless you Jessee, Pam and the rest of her family.....Shelia Bell*

“ Aunt Renee, you will be greatly missed. You were such a wonderful part of my childhood and I admired the way you were humble and helped any way you could when asked. I know you are rejoicing with Mom and all the family that has gone on to heaven right now. To be absent from the body is to be present with the Lord. We will all see each other again and that is the promise we hold on to.
