“ My heart is heavy and so glad to have the precious memories I will carry the rest of my life. Anne was the most patient, caring, compassionate and smartest lady I had ever met at such a young age. She was my idol and I learned more from her without saying a word, but by watching the way she lived her life and treated others she came in contact with. I loved her like a second mother. She always gave the best advice to me. I'll cherish her always. ❤️🙏🏻✝️

I have known Jan since she was in grade school and worked for her mother Anne, many years. Her mother was like a mother to me back in the day and she taught me so very much. She was the hardest worker/boss that I ever had in all my years before retirement. She raised her kids well and was very proud of both, Jan and Pat. I'll never forget the precious memories back in the day. Jan was like my little baby doll, I could make up and get her dressed up for dance class. Jan always talked to me, like I was a big sister. I'll always be here for her until my time has passed. She knows all she has to do is let me know. Ross, her father too, was a great man. He worked right along with us and never let anyone down. He and Anne are now reunited and I'm sure Heaven has welcomed her with many loving open arms. Rest In Peace my dear Anne. You made me the "Go Getter and Survivor that I am today, and taught me the skill!!! I'll always give the glory to You. You will be missed and loved forever. 🙏🏻❤️❤️🙏🏻. Drema Ramella. ✝️

“ I have many fond memories of Ellen, as a former Radiology student at CAMC Memorial Hospital. I was blessed to visit with Ellen at her business in 2017. My prayers are with her family.

“ It was my privilege to be Anne's pastor for many years at Mount Calvary Baptist Church. Anne was so pleasant in every way. The thing that perhaps stands out the most in my mind was how she always seemed to be sensitive to my emotional and spiritual needs. One Sunday, as I had been going through a difficult few days, Anne gently said to me as she was leaving church, "Pastor, I sense that you are burdened about something today and want to let you know that I am praying for you." I recall those words as though it were yesterday. I asked how I had shown that and she told me that I didn't, but that she just sensed it. I'm sure she never knew how much I cherished that loving, sensitive encouragement that day. In all the many years of my ministry, the Lord always seemed to give me quiet, gentle women who were sensitive to the prompting of the Holy Spirit to hold me up before the Lord in times when I needed it the most. Thank you, Anne. Pastor David Mitchell
