“ I just found out that Anthony Legg passed away. I've beengone from here for a while only to return to this horrible news. The only good thing about this man's passing is that he went home to heaven where our Father says he prepared a place for us. My condolences to the family. I truly lost a good friend but I look forward to seeing him one day in heaven.

“ I am so sorry Kenny, Linda and family..... I just found out that Anthony passed a few days ago when I saw Roger in Columbus. We didn't know or we would have been there. I am so sorry I haven't been very good at keeping in touch with family members. I have good memories of Anthony from when we were young. He was born the same year as I was. I remember staying with you all at the old house before it burned down. That brat Anthony used to chase me with daddy long leg spiders all the time!! Even though he terrorized me with those spiders, some of the best memories I had as a kid were there. I love you all. I will keep all of you in my prayers.
