I went to high school together with Sue and she and I were the best of buddies...we shared lots of happy times and lots of crazy teenage times of our trials and tribulations. I was a cheerleader in high school and Sue was always at our games cheering us on. She was such a wonderful caring and understanding friend to have. I am so sad to hear that she has passed, however, she will be with you silently forever. Just know that for sure! Sue and I would talked about her mom and dad and family members. You probably do not know me...I live in Nashville, Tennessee now and when I got married, I lost contact with her as I was raising my five children. I know Sue had to be a super, super wonderful mother, wife and now grandmother and great-grandmother. If someone could send me and email to let me know how she passed away, that would be nice. We were the best high school buddies. God now has a very special lady with him. Love to Sue's family and My prayers and thoughts are with you as you grieve and miss Sue!
