“ When Arnie was in college, he and his friend Darren from Hometown, would come to visit us in Randolph County and spend the weekend. It was an exciting and happy time when he came. When it was cold and we had a fire, Arnie would lay on the floor watching TV with his feet up on the fireplace hearth. He said he liked warm feet 😊. Once, when Dena was fixing canned biscuits for supper, she burned them really bad. Arnie and Darren laughed and laughed while saying “Dena is the only person they knew who could burn canned biscuits. We had such a wonderful time when they came ❤️❤️❤️
