“ I am so sorry for your loss. Ashley was in my pledge class in Kappa Kappa Gamma. She was such a sweet and positive person. She always put others first, and she genuinely cared about her sorority sisters. The world lost a wonderful person.

“ Ashley was an amazing person to be around, and her personality could brighten my day. I had the pleasure of co-teaching with Ashley her first year at LCHS. I instantly bonded with her and I was happy to work with her. We didn't have any classes together last year, but we did have planning together. I enjoyed spending time talking to her and there were many days that we probably chatted a little too much, but I'm glad that I was able to have that time with her. We even talked about this coming school year and we were hoping to co-teach together again. It is so hard to put into words the positive affect that she had on those around her. I'm keeping her friends and loved ones in my prayers.
