“ One of the gentlest kindest man have ever had the pleasure of meeting. He would always tell I drove (4 wheeler by his house - I knew there would be cattle, dogs, kids etc... and I didn't want to disturb or hurt anything). But if I was behind him on a different part of the road, he would pull over and tell me he didn't want to be run over by me. I would NEVER! I was happy following him- prob kept me from getting hurt. God works in mysterious ways. And I think he worked thru Aubrey!
