“ I have known Audrey since the early 1980's when we both worked at Columbia Gas Transmission Corporation. Our birthdays were only one day apart so we used to take turns sending each other a card every year and managed to keep in touch through the years, even after she went to Broadmore. I was very saddened to learn of her passing and will think of her often. My deepest sympathy to her family at this time. She will be greatly missed by all who knew and loved her.

“ When I joined the law department of Columbia Gas Transmission as a young attorney, Audrey was secretary to the General Counsel. I will remember her always as ever so professional, but more importantly, ever so kind.
My deepest sympathy,

“ *What a sweet lady!! Heaven has gained another angel:) I got to know Audrey when I worked at Broadmore and I enjoyed talking to her. We talked about the gas business since we both had that in common and even re acquainted her with a former employee that she worked with. The next day Audrey was so excited to tell me about the visit they had and the flowers she received. Audrey was always helping other residents and she introduced me to a lot of the residents too. I would finish my shift and come to her room to talk. I thoroughly enjoyed our talks and she was like a grandmother to me:) She loved her family and talked about them all the time. Since I moved to PA I hadn't got back to see her. You will be missed, RIP Audrey:)*

“ *I'm happy I got to spend many fine hours on this earth with Audrey Comer. I loved listening to her wonderful stories of her life and career. She loved Chris and John very much and was an excellent mother. She was outspoken in a quiet way. I will miss her very much. Chris and John, you have my deepest sympathies in the loss of your sweet mother. Rest in Peace, Audrey.*
