“ *Very sad to hear of Bobbies passing. We grew up across the street from each other and are a year and a day apart in Birthdays. We had fun as young girls and had skinned knees all summer. We attended the same schools and enjoyed our teen years. I moved away and many years passed by and we saw each a few times. The last time we got to visit, was at a sisters anniversary party, and that was ten years ago. We always think we have time ahead of us, but none of us are promised a tomorrow. We all travel the circle of Life and it closes for us all. Condolences and Prayers for the family.*

“ *So sorry to hear of the sudden passing of your mother. You are all in our thoughts and prayers. Though I did not have the good fortune of knowing Barbara, I have seen the fruits of her labor of love through beauty and compassion of your family--she was obviously the root, the heart, and the nucleus of it all.*

I will remember you all in my prayers. Please find solace in all of the special memories you shared with her and the knowledge that she is now watching over you. In those quiet moments, when you think you are alone--you are not--listen with your "heart" and you will feel her presence..until you all are together again. May God bless, comfort, and give you strength during this very sorrowful time.

We're there for anything you need.

Sincerely,

*Major Doug Park & Family
