“ My Mom was a hero to me, just as my Dad was, just in different ways. There are no words, my heart is broken, another hole in my heart that will never heal! In my heart of hearts, I know she is where she wants to be, with Dad (the love of her life), and in the presence of Almighty God. She isn't suffering anymore, and she can see perfectly. Rest In Peace with Dad, Mom! I love and miss you both more than words can express, and more than you'll ever know!💔  
🥺. Sorry I don't have the right words to say.....your death happened so unexpectedly! You know what's in my heart, and you and Dad were my life! I thank God every day he gave me you and Dad as my parents ❤️
