“ I am so saddened to learn of Bunny's passing, and I so appreciate the family letting me know. Bunny was a beautiful soul and such a good friend to so many. I was so blessed that God put Bunny in my path. We had so much fun when she worked with me in my gift shop in Richmond, Virginia, years ago; it did not seem as though we were working. Bunny was wonderful with the customers, and would always sell something....that was one of her many gifts. I found the Christmas card that she sent to us this past December, and I have read it several times today. She always wrote the most beautiful notes.....another one of her many gifts. To you, Tom, all of you children, grandchildren, and great-grandchildren, I know how very beloved all of you were to Bunny. I believe that she was beloved by all who knew her. Treasure all of the precious memories; it will help to sustain you. I will always remember Bunny's love for her family and friends, her beautiful smile, and her twinkling, blue eyes. May God keep all of you in His ever loving and tender care. Take good care of yourselves.

Love,
Shelley and Larry Doty
