“ I stopped by Ben's to show Brent my Harley. Ben got on me for shaving and cutting my hair. He said, "you don't look right without your stuff". He, Brent, and I have went to the range, and just sat around talking at times. We were all mechanics, but his knowledge has been very helpful to all of us over the years. He will be missed.

“ My first real memory of my Uncle Poddy was him standing beside a black Cadillac with his hair greased back in a ducktail. He looked like James Dean in Rebel Without a Cause and he was so handsome! I know Mom was at heaven's gate to welcome him in and they are all together now. He was loved and he will be missed.
