“ *My name is Fred Snow and Beryl and I were childhood friends at Sheffield City Grammar School from 1949 to 1954. So my memories are more than 60 years old. Time dims memories but my recollections of Beryl have remained fresh over all the time. I remember dancing with her in the gym, helping her with her tie in her school uniform, laughing together and of course her beautiful hair in the advertisements.*

*We recently found each other again and we traveled to Sheffield just a few years ago to renew old friendships. We were the only two from overseas and so spent some fun times together. I bought her Indian food and took her to see Mr Bean because her deafness precluded other films. I am so grateful and happy that we renewed a friendship that had meant so much to both of us.*

*Go peacefully Beryl*

*With love*
