“ *We are so sorry for your loss of Mrs. Baier. She was my Girl Scout leader. I moved to Sun Valley in 64 and she welcomed me into her troop. I was 11 and had wanted to be a Girl Scout since I was 6. I was trilled and she made me instantly feel a part of the troop. I also just live up the street. As a young married women I moved back to Sun Valley and enjoy having short talks with her on my many walks. Sun Valley parents were the best!  
May your good memories over shadow your grief.

“ *The Cardinal's Song, by Alda Maria*

*I know God must have sent my way  
the Cardinal that I saw today,  
that songbird with crested head  
in the colorful, vibrant shade of red.  
A sign from Heaven, could it be?  
A sign of hope to comfort me?  
I felt a peace and such relief;  
God in His mercy had seen my grief.  
Perhaps the peace I felt was meant  
to prove this bird was Heaven sent;  
God truly wanted me to know  
that I could safely let you go.  
So when I hear the Cardinal's song,  
I know you're home where you belong.  
And even though we are apart,  
you'll live forever in my heart.*

*I love you Mom!  
Doug*
