“ I will always remember Betty as the kind, loving, giving person who came from West Virginia to Hermitage, TN to take care of my mother, Marjorie, after she had surgery in the 1990s. Betty and Marjorie were first cousins and they shared a very special bond that began when they were children and continued all their lives, even while they lived far apart. Marjorie loved Betty very much, and I pray that they can be reunited in Heaven. Mary Donis Plunk Fought

“ I had the pleasure of taking care of Betty for 9 years at Putnam center . She was the sweetest woman I had ever met. I would let her help me do things to keep her mind busy. I made her a book keeping book and she thought she was still doing that like back in the days. I would turn her gospel hymns on everyday and that was what she absolutely loved. There is no greater woman than Betty Deem. She forever has always had my heart and is so special to me and so is her family. I know she is in heaven singing her hymns with her beautiful voice. Prayers for her family. Fly high beautiful. I love you forever.
