“ *Judy, So sorry to hear of Betty's passing. I only have fond memories of visiting with Clarence and Betty at the ole home place. Mom loved going thru the greenhouses. Mom loved them very much and enjoyed all the times they got together. Later Dorothy and I surprised Betty at her new house and shared many old family memories together. You can be comforted by all the love people had for this special lady. Hugs from the Nipps girls Dorothy, Judy and Helen.* ”
