“ *Betty and Delbert were our neighbors in St. Albans back in the 70's . They were so nice and Betty was so sweet. When Frank's dad died she made our whole supper and sent it over to us. Our children also remember them. I visited her once when she lived across from the school in Hurricane. She was trully a wonderful person. Our deepest sympathy. Frank and Judy Hanson*

“ *Just wanted to share that Betty was such a kind and loving friend to my Mother, Ruth Rooper when she was living in the Valley and also continued to send birthday cards and Christmas cards after she moved to Virginia.*

*May you find peace knowing that my Mother treasured that friendship.*
