“ *Rick and Anna:*

I was so sorry to hear of Betty's passing. It has been over 40 years since I have seen any of you, but I remember vividly how hospitable she was the few times I visited you in her home. May God give you comfort!

“ *I am so thankful for the friendship shared by Betty & Ford and my parents. And what that meant for my parents' Christian walk, and mine, too. Betty's Christian influence continues in the lives of everyone who was bless to know her. I'm praying for all of her family that they might be comforted by the peace that God alone can give. In Christ's love, Sharon Holderby Stuart*

“ Betty's picture here brought a smile to me face. Her and her family's presence in my life is very special.It is hard to think of Washington Street Church of Christ without her presence right there up front. Whenever we visited I always made sure that I had a chance to be with her there at services. I offer my sympathy to her family. I pray their memories and being there for each other will help during this time of sadness. What a remarkable lady - it has been an honor to know her. Diana Kimberln

“ Beth,

Thinking of you, your Dad and all the family at this time. Reading just that brief synopsis of her long life, she was successful at everything she did and that legacy remains in her children and grandchildren.
