“ *Bill, Cathy and family.....The loss of your Mom Betty was a sad moment for me! As we were first cousins I grew up with her and Louise and saw them many times a week. I have mentioned this before and I will do so again.....since I was the youngest of the Gillenwater cousin clan Betty and Louise would take me to Rock Lake in the summer months and made sure I had a good time. That kindness was never lost on me. As I grew up and was privileged to know your mother better as an adult, I was always impressed with how consistent she was in most every way. She was kind, pleasant and always helpful to all around her!. Her passing leaves a large hole in your hearts, and mine. Just know that my thoughts and Diane's are with each of you and with the impact Betty had on our lives! God Bless each of you and her memory!*
