“ *Susan and Skip: I was so very sorry to hear of your sweet mother's passing. She was such a genuine person and always seemed to be thinking of others. I will never forget her kindness and thoughtful gestures to me, my daughter, Zoe, and my mother. She had a wonderful smile. I pray the many memories you shared with her somewhat lessen the pain of losing her. You will remain in my thoughts and prayers.*

“ *Saddened to learn of Betty's passing. She was a wonderful lady and I have fond memories of visiting her and hearing stories of things that her and my Gradmother (Jean Ulbrich) would tell. Thoughts and prayers go out to her family.*

“ Susan, Skip and families: Was so sorry to read of the death of your mom in today's Gazette. I am her cousin from Braxton County. My mom was a sister to Betty's dad. She did keep in touch with us but it had been a long time since I had seen her. I guess the last was at Leon's funeral. Know that the thoughts and prayers of all our family is with you all at this time. I would love to come down but due to health problems can't make it. Love to all of you.

“ Susie, Skip and family, I am so sorry! What an extraordinary woman your Mother was! I could stop in the Curiosity Shop and know I could vent while I lived in St. Albans. Betty was a friend to all those who stopped in the shop because she was a people person. My thoughts and prayers are with all of you during this difficult time. May the peace of Christ surround each of you.

Love and prayers,
Pastor Karen
