“ I came to know Ms. Flowers through my friendship and relationship with her grandchildren Lori, Randy and Amber. From the moment you met her you knew that she was one of those very special people that God gave us in that she had a way of welcoming, comforting and bringing a peaceful feeling to anyone around her. I'm sure the Lord has a very special place for her next to him. (One of his angels coming home) My thoughts and prayers are with her family.
