“ Bob and Wanda were such a big part of my childhood. We spent so much time at their place and at Adda. When we talk about "back home," their names always pop up in our conversations.

I'm sorry for the family's huge loss, but I can just imagine the celebration Bob's having in Heaven, reunited with those who got there before him. I hope you find peace and comfort knowing his suffering is over. May your heart be filled with wonderful memories to get you through this tough time.

Keeping all of you in my prayers.
