To my loving brother, I think back on the days growing up. When I was trying to teach him new words to say . but all he wanted to say was " Top job" this was something he picked up on TV. And the boys all horse playing, mom getting on to them all the time. I could go on and on of my memories of our child hood. Bobby has always been there for me as I have for him. We have picked each other up a lot. Bobby grew up to be a fine man. Served his country just like his dad did. Although his daddy never seen that part of his life. Mother worrying and praying for God to bring him home safe. Brother you will always be with us, as we reflect back on the great memory of our childhood ,and into our adult life. Love you brother.

“ Remembering Bobby brings a smile to my face. He was such a nice man. Have know him all my life, I last saw him at theGreenreier Classic. He loved Golf and was always a great support and very proud of my son & Donelle's. He also showed up at the WV State Golf tournament to support Corey, and would come by and check on my son Davey. My sincere condolences to his daughters, mother, and siblings. A genuine guy! You will be missed my friend.

“ Many great memories of Bobby. I remember us playing scrabble and how he always gloated after skunking my score. He would say don't feel too bad after all you did go to Kermit. The old rivalry of Crum vs. Kermit always brought about a little smack talk from his side and mine. He loved his girls and was a wonderful daddy to them. He wasn't just their dad he was their friend. One thing for sure Bobby was loved. My thoughts and prayers are with his family. I love you all.

Valorie Meade Higginbotham - June 22, 2014 at 07:30 AM

Yes. Val, he loved to dish it out. But we always came back with your just jealous, because we skunk you all every time we play you in Basketball. He came back with you all don't even have a football team. Haha. He got the last word

“ I have so many wonderful memories of Bobby. I don't think there is a vacation that we went on when I was growing up that Bobby, Melissa, and Nichole weren't along with us. He and my dad were best friends for many years and he felt like family to us. Although, we didn't see each other as much as we used to, it still felt the same we did. I'm happy for the memories we have and we will never forget them. Love you, Bobby!
