“ We at David Smith Frame & Body Shop are so saddened to hear of Bobby's passing. He was such a sweet man and always came in with that great big smile and a bag of cookies for the guys and he always had a story to tell about his NASCAR travels and pictures to share with us. He's been a great friend for many years and when he wasn't able to come by he'd call just to check on us and chat for a minute or two! We will truly miss him. Please know you all are in our thoughts and prayers and we send our sincere condolences!
