“ *Cathy and family: My heart and prayers go out to you in your time of loss. Your mother has the most loving and supportive family, and you have been there so close to Bonnabelle for the past 6 years through her lengthy illness. The healthy and good times are always the easiest to remember. I was witness to all the love and dedication through all the times when she needed you the most, and you stood by her every day! God had blessed Bonnabelle with a wonderful family, full of love and support. May God bless you with the strength to endure the sadness, now that your mother has gone to be with her Heavenly Father. My love and prayers are with you!*
