“ Gert I just want to say that no matter the miles between us you were and still are in my heart everyday! I loved you just like my mom and I know there is a great celebration in heaven! Please tell mom, George, Mamaw, Papaw, Billy and Mike hello for me! Tears are being shed here on Earth but know they are for the great memories we have of you and that we all know you are in a much better place, where you have wanted to be for a while. (((((((((((((HUGS)))))))))))))) Until we meet again. LOVE YOU!
