Brady Franklin Robinson, 46, of St. Albans passed away Sunday, June 11, 2017 in Thomas Memorial Hospital.

Brady served his country in the United States Air Force. He worked for many years in the disaster restoration industry and was currently employed by Mammoth Restoration. Brady was very talented and respected in the entertainment industry. He was lead singer of the band Sheered Lepus. He was known as the Fabulous Dancing Pig and was a successful internet radio host. His shows, Westlake and The Pig and the FDP Show, were enjoyed by thousands worldwide. He was well versed politically and a force in the local freedom movement. A true Patriot, he fought to protect our freedom. He was a guest analyst on the national television show, The Dennis Michael Lynch Show. He had also just formed an entertainment company and was in the middle of his biggest project of creating a movie which he wrote, was going to direct, and have a starring role. He had many friends and always made time to listen and help them with their problems.

He is preceded in death by his grandfathers, Elmer "Squick" Robinson, and Charles Franklin Whittington.

He was born on July 23, 1970, a son of Rita Marie (Whittington) Woodall and Ronnie "Rowdy" Robinson.

He was a loving and faithful husband to his wife, Jackie Robinson of 26 years. Brady's spontaneous and creative personality left his family with never a dull moment. He is also survived by his only daughter, Rowan Alexandria Robinson, who was the other love of life. He also leaves behind his sister, Amy Johnson of Hurricane; grandmothers, Joyce "Jammie" Robinson and Allie Trent, of St. Albans; and several aunts, uncles and cousins.

The family would like to say a special thank you for all your support during this difficult time to Lonnie, Julie, Nancy, Chris, David, Scott, Kevin, The Atwell, and "Oh' Big Dad" Kruger.

Brady had many friends, unfortunately too many to list. His family wants to thank everyone that meant so much to him.

“ It's hard for me to imagine I'll ever encounter another who could match Brady's unique combination of fiery passion for liberty, raw humor and his larger-than-life personality. A true friend who is sadly missed. My love and prayers remain with his family.
