“ *Dear Mr. and Mrs. Ramsburg and Megan, I'm so very sorry for your loss. I was heartbroken when I saw the news on Facebook of Brian's passing. Even though we lost touch after high school, I've always had fond memories of him from show choir and other random WHS events. He was like a third brother for me - always looking for a way to tease me (harmlessly!) or make me laugh. He was always sweet and kind to me - qualities you appreciate in high school when kids can be so cruel to one another. We had so much fun in show choir - I can still hear Mr. Haught yelling, "RAMSBURG! Office! Now!" He was always getting into trouble, but we knew it was usually in good fun. He was dearly loved and my heart breaks for his loss. Please know that I have been keeping you all in prayer during this difficult time. I hope some of these thoughts warm your hearts and give you some comfort. I will miss my old buddy, Ramsburg. Much love, Victoria (Lynch) Le*

“ This was a great night. We were celebrating the kids we all were helping in the program, as well as, kids we had helped in the past. Brian always had to get a selfie with the judge. My condolences to his family.
